Re: Freedom of Information Act Request

Dear Larry:

This is a request under the Freedom of Information Act.

I request that a copy of documents containing the following information be provided to me: all records related to travel, expense, and statements of economic interest generated by the office of Jared Blumenthal during his tenure as EPA Region IX Administrator between 2009 and 2016.

In order to help to determine my status to assess fees, you should know that I am an individual seeking information for personal use and not for a commercial use.

I am willing to pay fees for this request up to a maximum of \$500. If you estimate that the fees will exceed this limit, please inform me first.

The Code of Federal Regulations requires the EPA to respond to my request within 20 working days of receipt of this query. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Nathaniel A. Kurz". The signature is fluid and cursive, with the first name being more prominent.
